MULTI-CARD READER/ WRITER QUICK INSTALLATION GUIDE

MODEL 100717

Thank you for purchasing the MANHATTAN® Multi-Card Reader/Writer, Model 100717.

Compatible with 40 card formats, this device lets you easily download and transfer digital images across many of today's popular flash memory card formats. It supports read/write/copy capability without the need for an external power supply or card adapter for portable use.

Its USB mass-storage functionality easily archives picture, music, video and personal data files without directly connecting the media device to the computer, and it helps conserve media device battery power by eliminating the need for a direct connection to the PC.

Just plug the device into an available USB port and begin enjoying its convenience, plus these popular features:

- Automatic Card Detection helps to easily access and manage content almost anywhere — No power supplies or adapters required
- Compatible with Memory Stick, Secure Digital, Multi Media and XD
- Supports read/write/copy and USB mass-storage functions
- Windows and Macintosh compatible with data transfer rates up to 480 Mbps
- Translucent rotary cover protects USB connector from damage
- Windows and Macintosh compatible with data transfer rates up to 480 Mbps
- Lifetime Warranty
